

**Binding clearzone for BOOKS must be
at least 10mm from left edge**

3mm Bleed Zone - any Bleed on your artwork needs to run to the edge of this area

Safe Zone - 4mm from Trim Edge

**All text, logos and other important elements
need to be within this area.**

The Perforation can be positioned anywhere but
on Ticket Books it tends to be near the binding edge

Trim Line - Finished print size 210x99mm
